Dedication

To our Superintendent, Mr. Joseph H. Lockey, who has worked untiringly with us and for us, the staff proudly and affectionately dedicates this 1952 edition of THE HARVESTER. We have found in him a sympathetic friend, a wise counselor, and an interested and efficient guide. Because he has so endeared himself to us, his inspiration will ever be a challenge in the years to come.

Dear Students:

I heard some of you remark the other day, "What have we got to look forward to?" The boys are worrying about being drafted and the girls are worrying about the boys' being drafted.

But, you know, things are not nearly as bleak as they seem. Your future can be whatever you determine it to be.

Being able to make the best of any situation is the mark of an educated person. It is not at all necessary for the years ahead to be dark. True, there may be an interruption of your plans; but they can be both pleasant and profitable.

Your theme song for this section is "May the Good Lord Bless and Keep You Till We Meet again." Let me change this song title, as a salutation to all of you, to "May the Good Lord Bless and Keep You Forever and a Day."

Sincerely,

J. H. Lockey

Assistant Principal

Dear Students:

Much is being said about the sad state of affairs prevailing in the world today. We acknowledge the seriousness of the situation, but wish to remind you that every preceding generation has had its quota of problems and pessimists.

Our exhortation to you is, "Have faith," always remembering the Biblical admonition that "Faith without works is dead."

Sincerely,

W. J. Harlan

To the Staff and Student Body:

Your 1952 HARVESTER represents a product of group cooperation which is to be recognized as worthy. It is through such opportunities as the production of a school annual that you grow, create, discover, make plans, realize objectives, and appraise work. It is a part of your education. When the schools can provide such opportunities for the development of all youth, we will have accomplished a long sought goal.

I congratulate you, and, as an administrator, I assure you that my every effort shall be toward providing more opportunities for more students to participate in such activities.

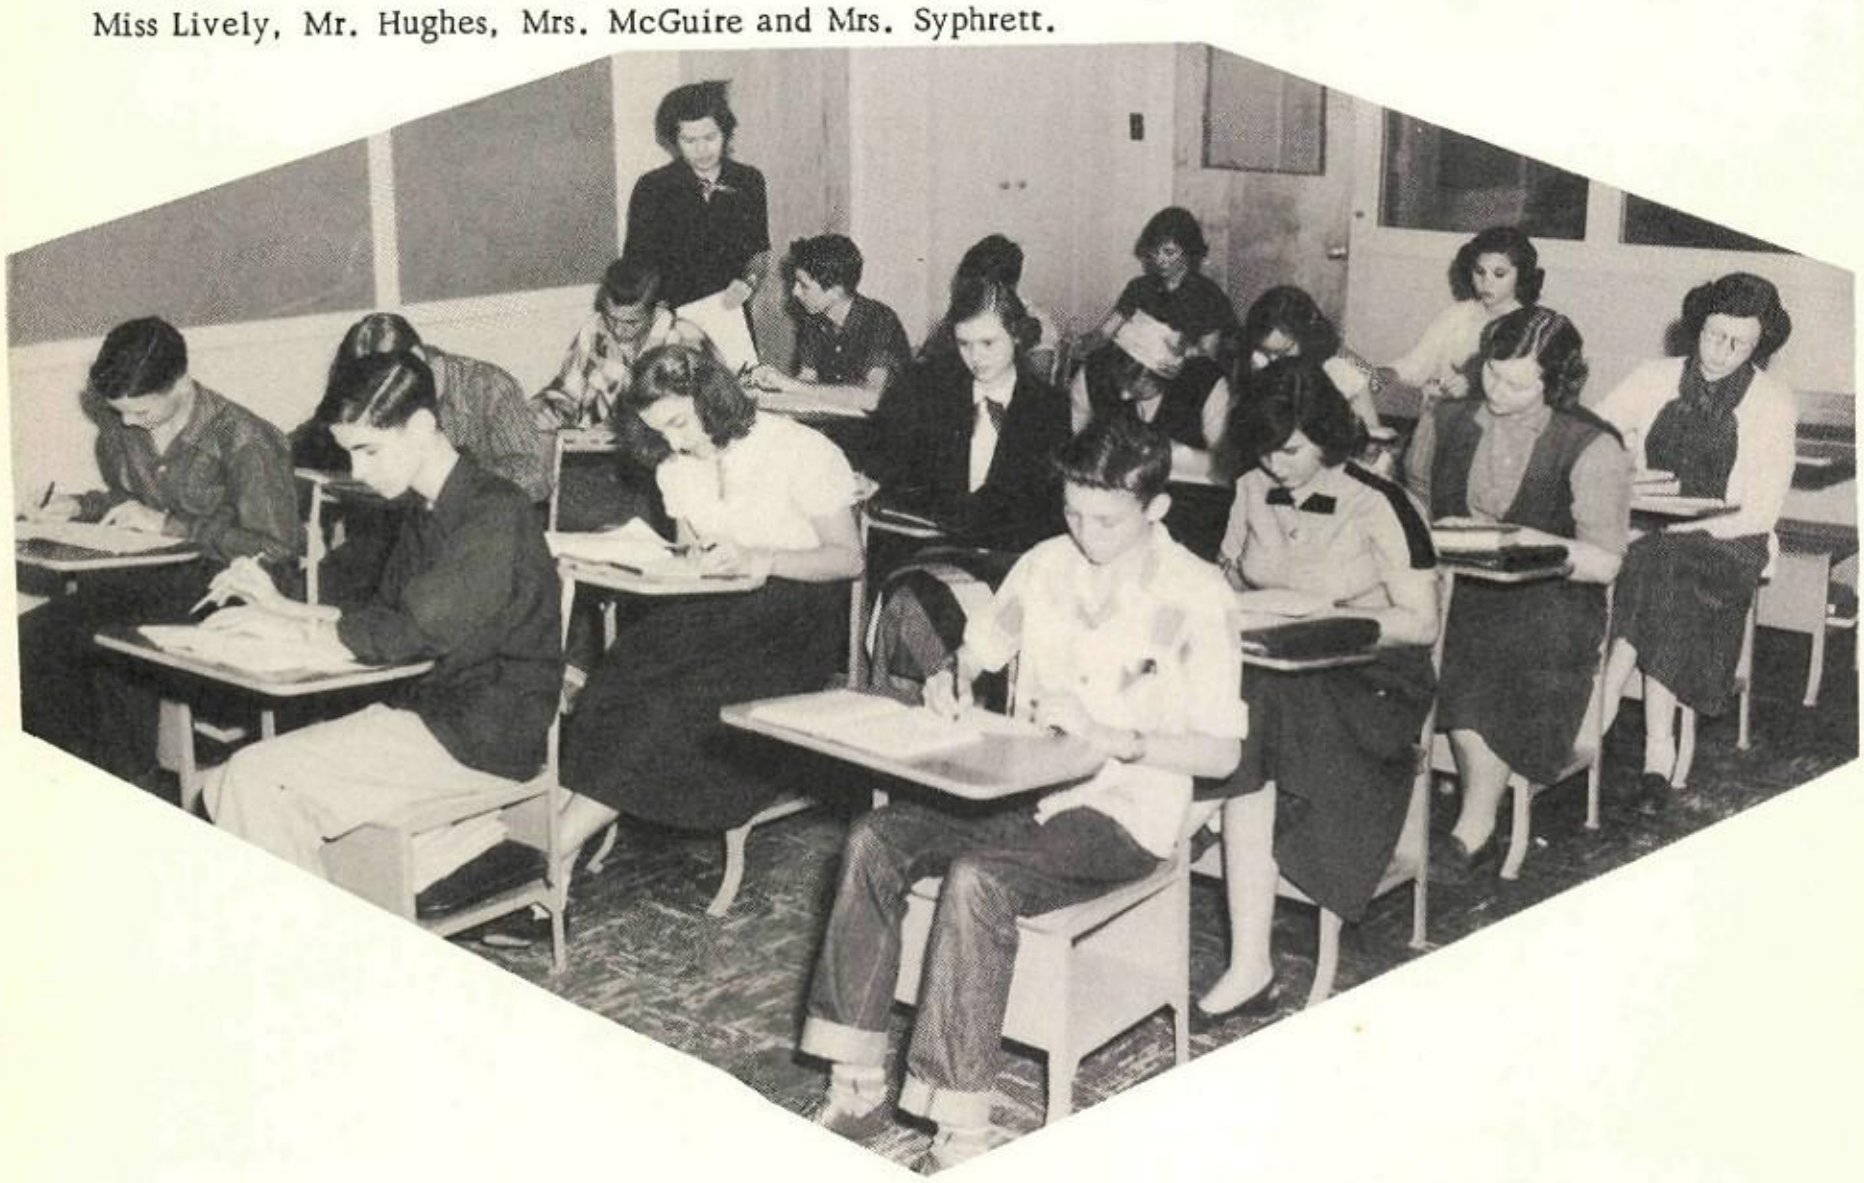
WORLD HISTORY
ADVENTURES IN ENGLISH LITERATURE
SPEECH
General Business
AMERICAN GOVERNMENT
Departments

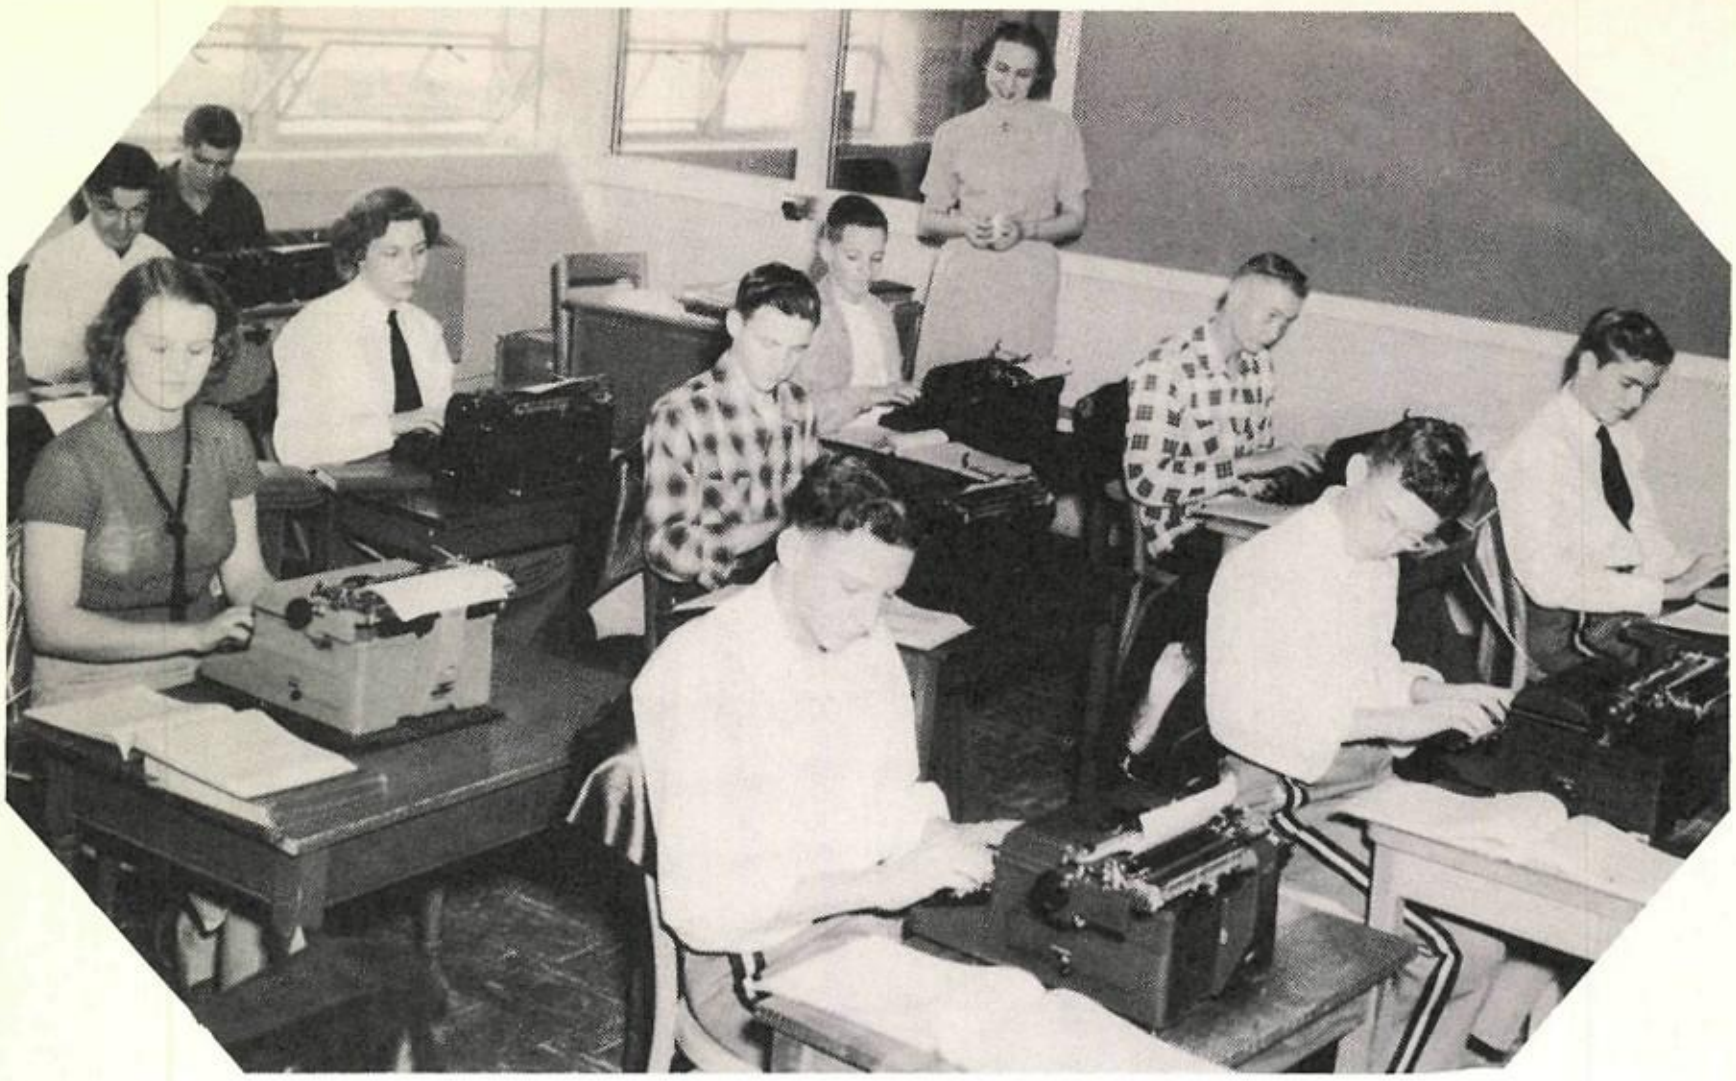
An appreciation and knowledge of literature is taught in the English department the first semester by Miss Lively, Mr. Hughes, Mrs. McGuire and Mrs. Syphrett.



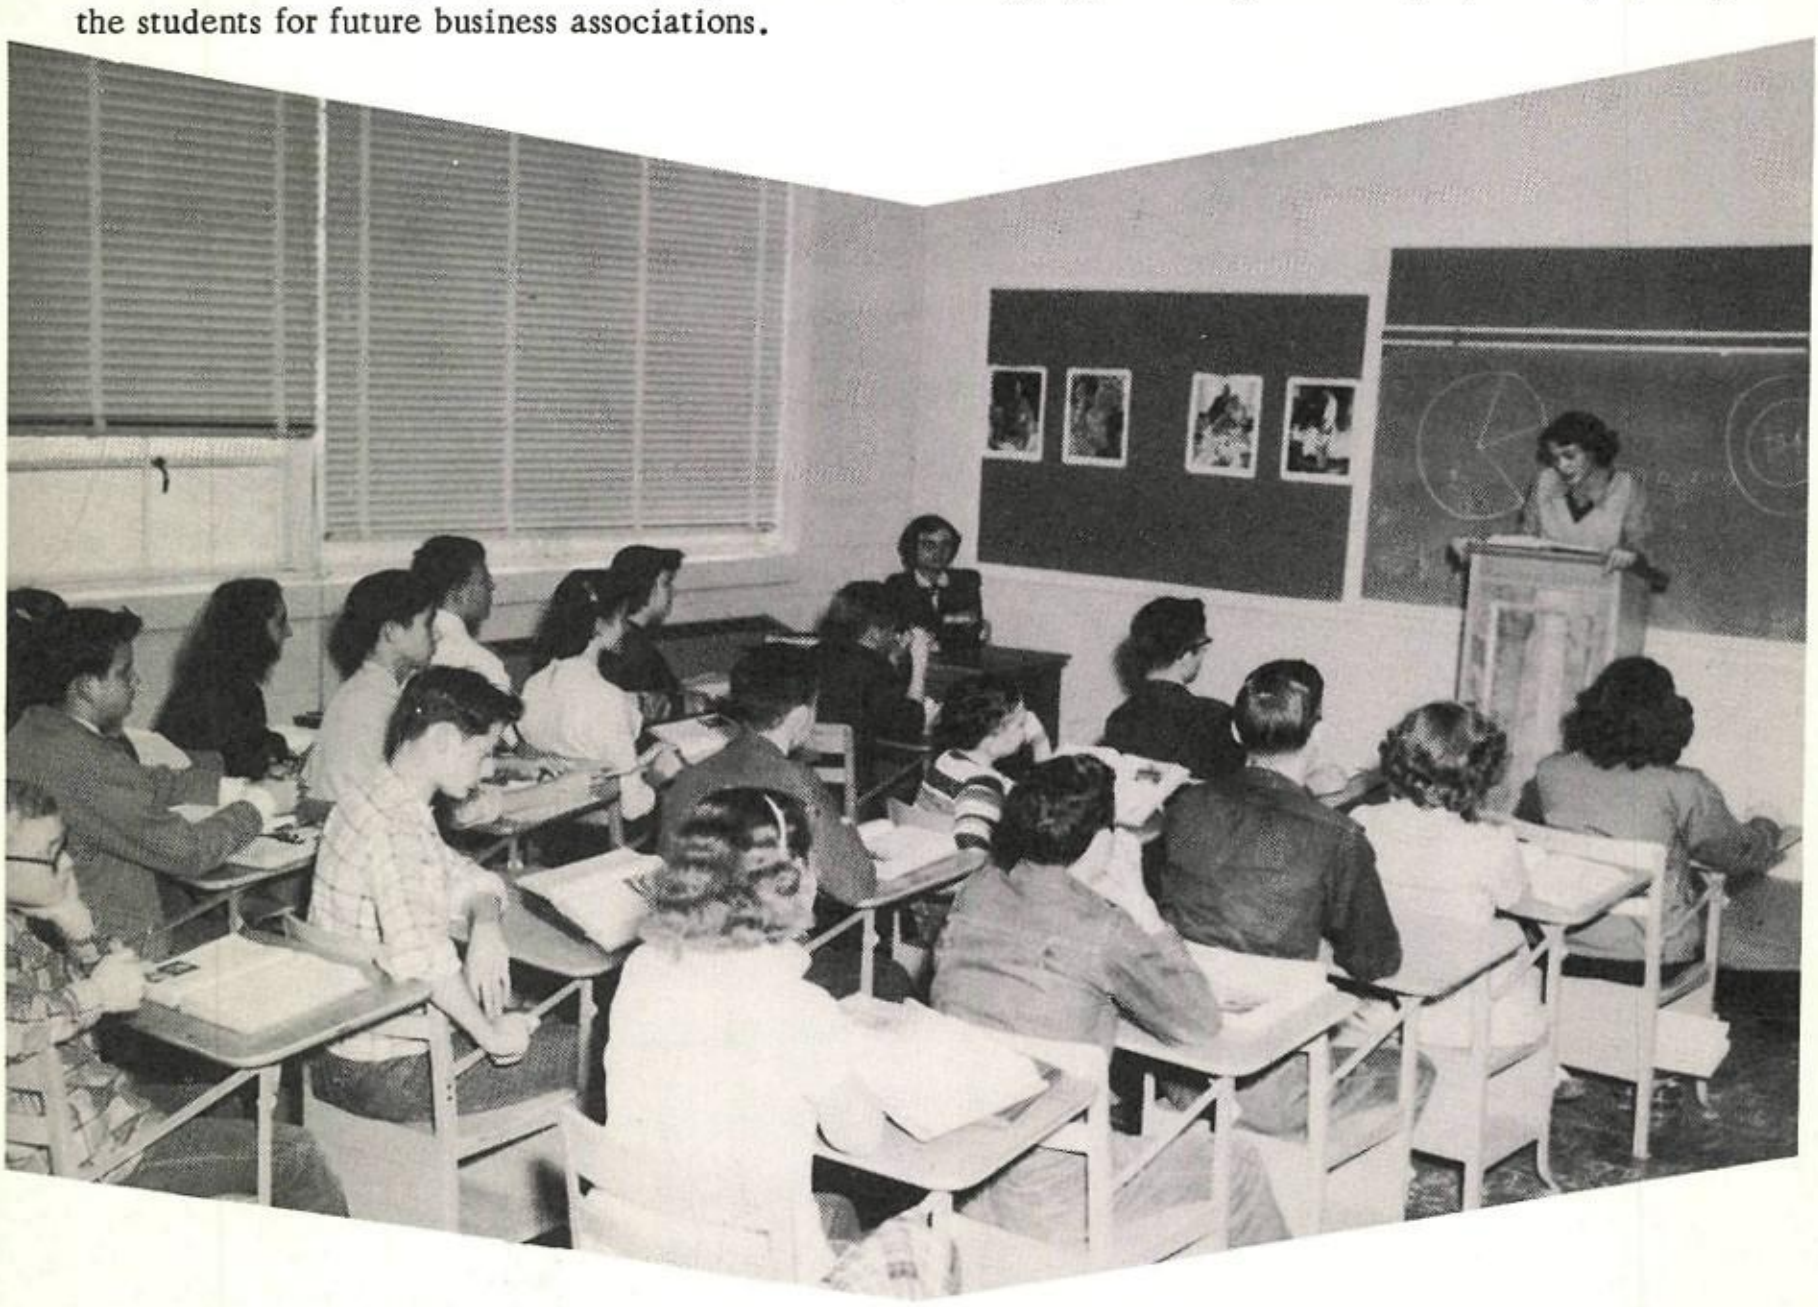
The second semester these instructors teach grammar and composition. These students in an English I class acquire skill in grammar through drill.

Students in speech class receive valuable training in talking over a public address system under the direction of Miss Lively. These students study many phases of public speaking such as proper diction, debate and the radio speech.

The Spanish course consists of the study of the essentials of grammar, the development of a simple vocabulary, and readings based on present-day Spanish and Spanish-American life.



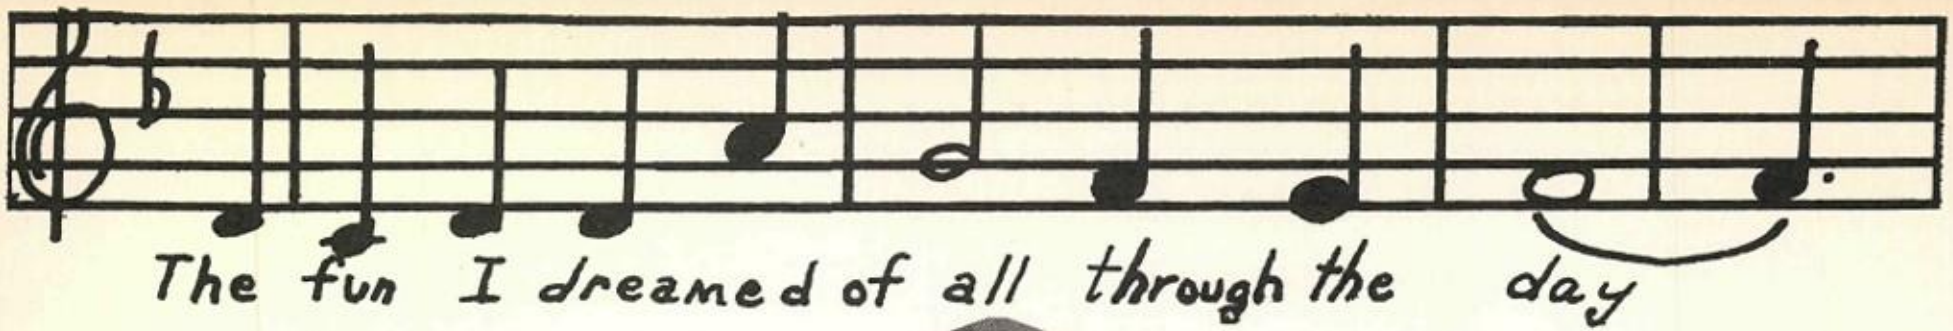
The commercial subjects, bookkeeping, shorthand, and typing, are taught for the purpose of preparing the students for future business associations.



The World History course offers a study of the background of our civilization. In the above picture one of the students is giving an interesting report to the class. World History and American History are taught by Mrs. Sandlin, while Mr. Hughes teaches Civics and Economics.

In the above picture Mr. Hester shows the class how to manipulate X and Y. In addition to his Algebra class, he teaches General Math. In our math department are Mr. Cooley and Mr. Harlan as well.

Mr. Adams explains to the General Science class some interesting facts about our body using the new skeleton, Orthello. Other sciences offered are biology, physiology, and chemistry. Mr. Harlan is the chemistry instructor.

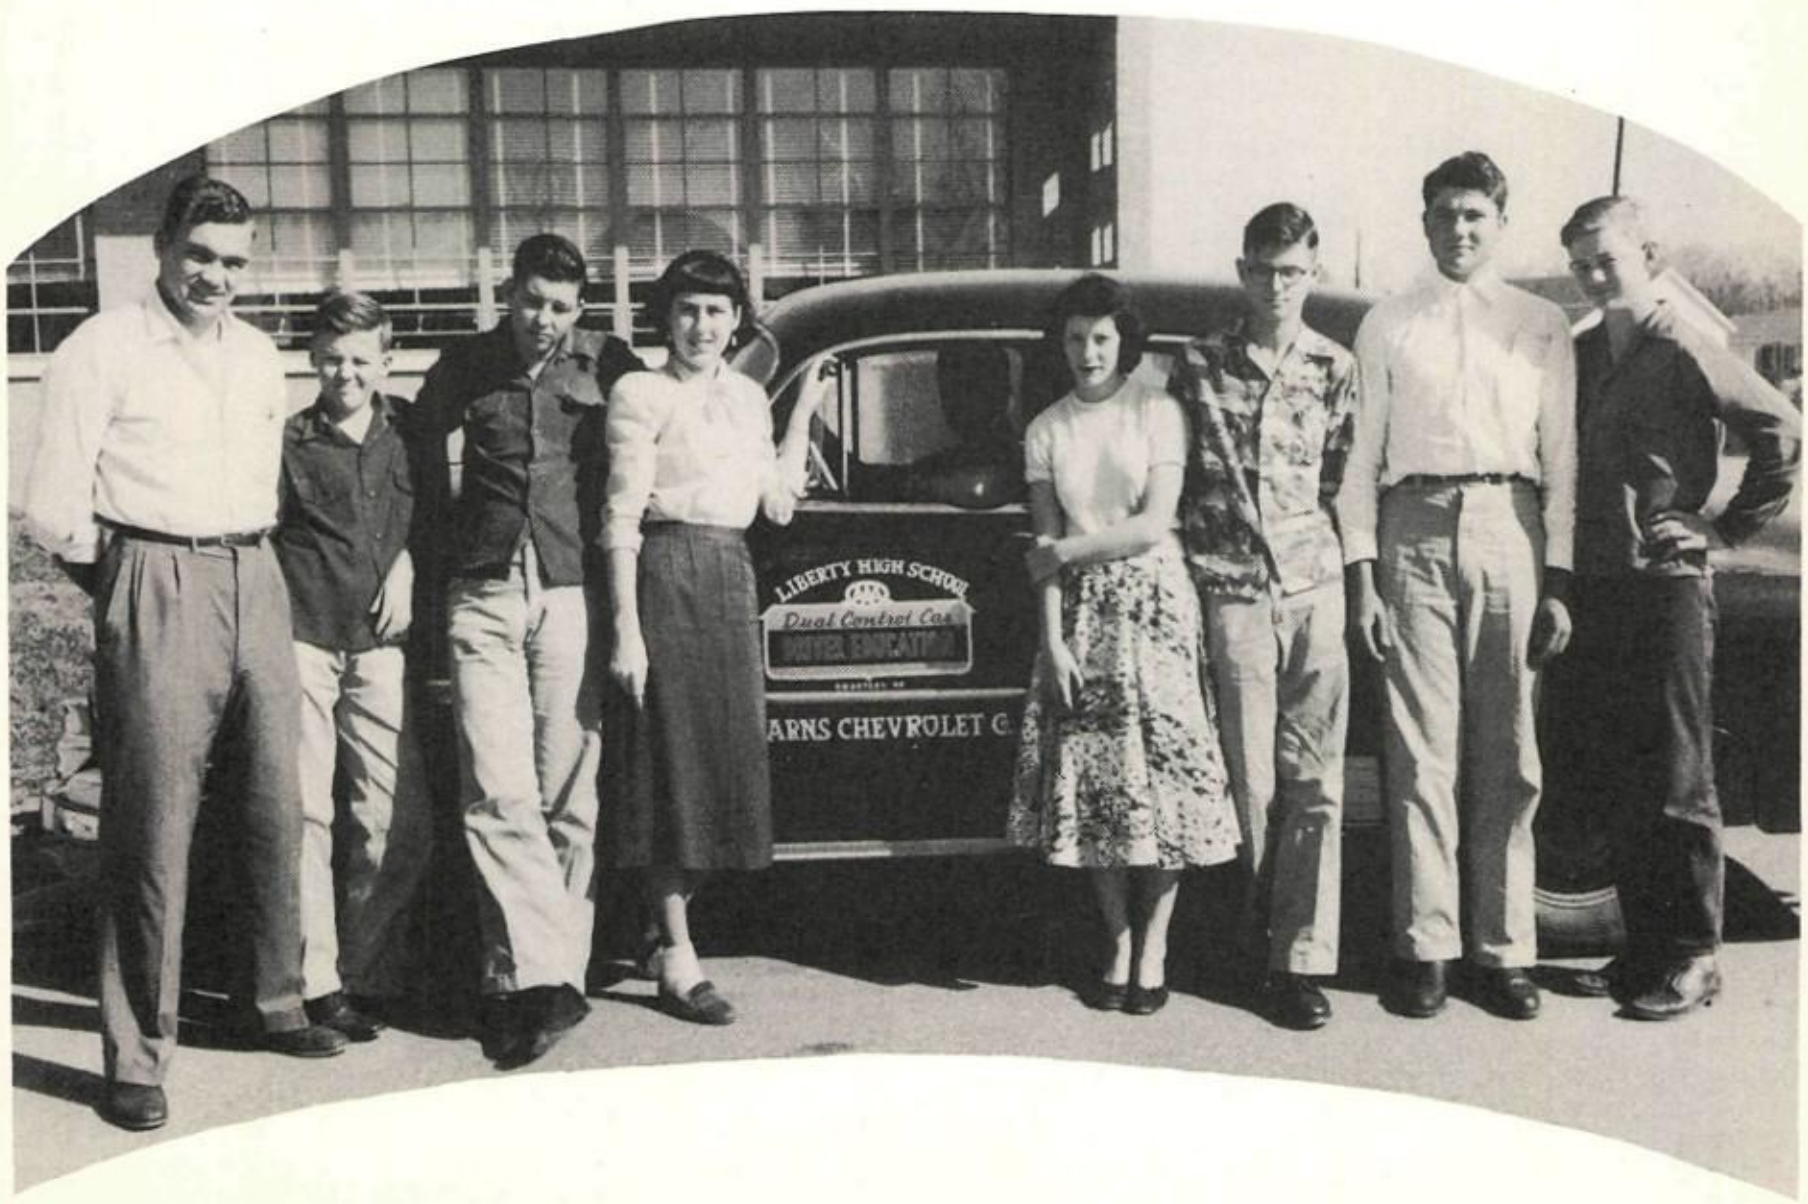


Homemaking has proved to be one of the most practical courses offered to the girls of Liberty High School. Some of the fields taught in the various classes are designing and sewing garments and planning, cooking, and serving meals. These and many others are under the supervision of Mrs. Biggs.

Two vocational subjects taught in our school are Distributive Education and Drivers Education. Distributive Education, under the supervision of Mr. C. E. Stanzel, merits two credits. The students are not only instructed along the lines of business, but they have actual on-the-job experience.

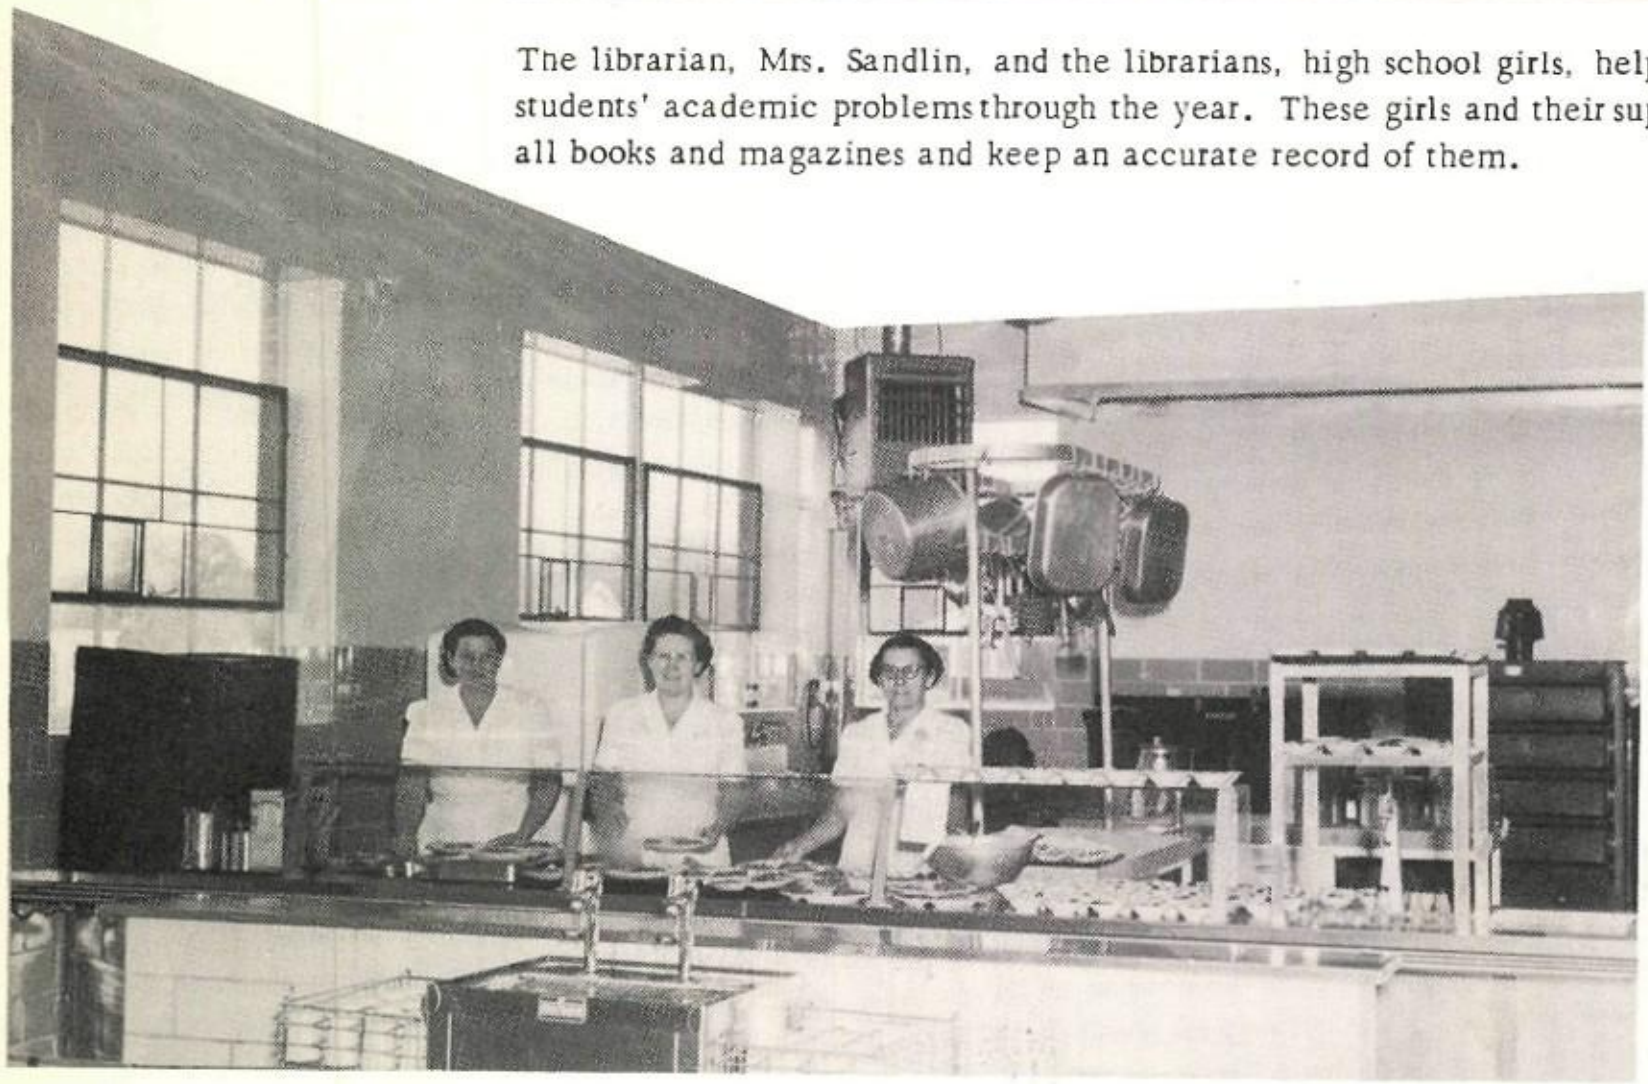
Students in Driver Education, under the careful instruction of Mr. A. B. Cooley, learn the art of safe, courteous driving behind the wheel.

Vocational Agriculture, taught by Mr. O. L. Huggins, is another vocational subject taught in our school.



The High School Choir under the direction of Mr. Unberfield, adds pleasure to the participant's daily routine. This organization furnishes the special music for Baccalaureate each year.

The librarian, Mrs. Sandlin, and the librarians, high school girls, help to solve many students' academic problems through the year. These girls and their supervisor arrange all books and magazines and keep an accurate record of them.



One part of the Liberty High School's spic-and-span crew is the new high school cafeteria. These ladies, pictured above, serve the noon meal to many hungry students each day. The maintenance department is also part of this crew.

On November 2, 1951, the Liberty High School students and the graduates held their fourth annual Homecoming in the new high school building. The afternoon program, which was a reminiscence of earlier years, started the Homecoming activities. Later in the day the graduates enjoyed a planned reception and a conducted tour through the new building. The presentation of the Queen preceded the tilt which matched Liberty and Cedar Bayou. Immediately following the game a dance was held in the City Hall.

BANQUET

Banquet tables and guests

HARVEY MASON
"The master magician"

The Episcopal Parish Hall was literally glowing with glittering Christmas decorations on December 8, 1951, depicting the atmosphere for the annual Football-Band Banquet. The main speaker of the evening was Andy Anderson from Houston who provided the banquet guests with many laughs as well as a serious thought on juvenile delinquency. Other entertainers of the evening were Mary Belle Koenig, who did an impersonation of a Russian opera singer, and Harvey Mason, who proved his magical powers through his numerous tricks. The lettermen and tri-football captains of the year were announced. This memorable evening was ended with a dance.

Liberty opened the season against Port Acres at Yellow Jacket Stadium September 8. Being heavily outmanned, the Panthers lost to Port Acres 28-0.

Left to right, front row: Watts, J. Griffin, Billingsley, Palma, Andress, Davis, Morse, Jimmy Scott, McLaren, Koenig, Harrison, Badger, John Scott, J.B. Shepherd. Back row: Coach Steele, Vick, Chipman, Greene, Morrison, Swan, Autery, Lamb, Ford, E. Stubblefield, Thomas, C. Stubblefield, Rizzo, Coach Hughes.

Silsbee visited the Panthers at home the following week. Using sparkling defensive work and a powerful offense the Panthers held Silsbee to a 12-0 victory.

Liberty played host to Cleveland September 21 in Memorial Stadium. The highly touted Indians showed little might against the fast-improving Panthers and won by an unimpressive 7-0.

The Panthers visited Barbers Hill the following week to display improved singlewing club. Both teams, showing exceptional ball-handling, failed to cross the goal and so battled to a 0-0 deadlock.

The next week Liberty showed the fire and spirit which truly shows a great club. The offense clicked steadily; and the defense, working ruthlessly, stopped the Buffaloes and won by an easy 20-6.

The Homecoming game proved quite a disappointment to the home crowd, but it did prove that the Cedar Bayou Bears were the champions. Score 20-8.

Again displaying might and speed the Panthers visited Hull-Daisetta the following week and from the opening whistle overpowered the Bobcats and won an easy victory at 38-6.

For the final game, Liberty moved to Dayton to play the team's oldest rival. Dayton, led by a group of fast backs and a big line, stopped the Panthers' offense. The Panthers repeatedly threw the Broncs to large losses, but with the final whistle the Panthers lost a heartbreaker 27-6.

REVIEW OF GIRLS' SPORTS IN 1951

The L. H. S. girls participated in volleyball, softball and tennis at the Interscholastic League Meet of 1951. They placed in two of these three sports.

The softball team, composed of freshman, sophomore, and junior girls, placed at the meet. Their first game, played with Crosby, proved to be victorious. The Liberty team was then defeated by Hardin, which gave them a third-place rating.

The volleyball team, which was made up of girls from the freshman, sophomore, junior and senior classes, was defeated in the first game and did not place in the meet.

Top honors were taken by the tennis team which was coached by Mr. Harlan. The players and places won are as follows:

Betty Evans - - - - Junior Singles - Second Place
Muriel Gray - - - Junior Doubles - First Place
Shirley Means
"Chic" Chipman - Senior Singles - First Place
Merlene Wise
Mary Alice Davis - Senior Doubles - Second Place
